College Classes while in High School

Lenoir Community College Online and Campus Face-to-Face

A LCC representative will be available to discuss the qualifications and process of enrollment in online classes while still a junior and senior at South Lenoir High School. Become a Lancer, today!

Colleges in Attendance

Lenoir Community College Admissions

A LCC representative will be discussing the application process and providing information on the wide array of programs offered through Lenoir Community College.

Lenoir Community College Financial Aid & School Counselor

A LCC representative and Ms. Tyndall, SLHS School Counselor, will assist families with the process of applying for financial aid.

NC State

Wolfpack Nation is calling! An admissions officer from NC State will discuss programs and opportunities available at North Carolina State University. Valuable information will be available for those who can't make the presentation.

WCC Forestry

Are you interested in a rewarding career that allows you to work outdoors conserving our natural resources? Are you interested in working with North Carolina's No. 1 manufacturing industry? Check out what Wayne Community College has to offer.

WCC Animal Science

Wayne Community College's Applied Animal Science Technology program will help you develop the foundation needed to begin a career in the animal science industry. Animal Science is the science and business of producing livestock such as beef cattle, dairy cattle, horses, poultry, sheep, goats, and swine. Check out how to enroll in this program.

Dental Hygiene

This program trains you to be a valuable asset in a high-tech modern dental office! You will learn practical skills such as taking patient medical and dental histories, teaching oral hygiene, scaling and polishing teeth,

taking x-rays, and applying preventative agents. Wayne Community has one of eastern NC's leading programs. Program representatives will provide information to get you started.

UNC-W

Love the beach? A University of North Carolina-Wilmington admissions officer will discuss programs and opportunities available at UNC-W.

ECU

If you want to become a pirate, stop by to hear about programs and opportunities available at ECU. A East Carolina University admissions officer will be here to help you begin your journey. Go, pirates!

Cape Fear Community College

Students come to Cape Fear Community College determined to succeed. CFCC supports, recognizes, and celebrates the many successes of our students. Stop by and discover the benefits of attending Cape Fear!!

University of Mount Olive

The University of Mount Olive believes in transformational education. Not only do they strive to cultivate a generation of intelligent, open-minded students with a strong liberal arts background, they recognize the importance of teaching students the values needed to develop into positive, contributing members of society. If you want to experience campus life on a small scale, visit with the UMO representative!

Career Paths for Seniors

Kinston Police Department

Interested in being a public safety officer? The Kinston Police will be on hand to provide information to students and families interested in this career path as well as discuss a program designed for high school students interested in exploring this career.

NCDOT

The NCDOT will be in attendance to discuss career opportunities in transportation. They will discuss career paths for those attending college as well as high paying employment opportunities right out of high school.

NC State Troopers Program

The N.C. State Highway Patrol has 2,340 employees including state troopers, telecommunicators, radio engineers and civilian staff. The North Carolina State Highway Patrol offers a career opportunity to qualified individuals seeking employment in public services and law enforcement. Representatives will be on site to answer your questions.

Army, Navy, Air Force, Marines

Military Recruiters from four branches of the Armed Forces will be available to discuss career path options for juniors and seniors interested in enlisting. Compare and make the right choice for you!

NCWORKS

For those seniors interested in immediately entering in the workforce, NCWORKS will give students access to a complete set of employment tools for job seekers in North Carolina.

LCC Manufacturer Academy

The LCC Manufacturing Academy objectives are to provide ready-to-work employees while reducing employee turnover and developing a pool of qualified applicants who are prepared to work in industry. Jobs in manufacturing are available and are well paid. Check out the opportunities in this growing field.

Other Programs

Turner-White Photography

Are you a parent of a rising senior interested in senior pictures? Looking for someone to create a unique family portrait? Turner-White will be showcasing their work as well as scheduling appointments.

Board of Elections

Your vote counts! Learn if you are eligible to vote; then, take advantage of on-site registering. The 2020 Presidential elections will be here before you know it!

Deep Run Fire Department

Junior firefighter programs help young people learn about local fire, rescue, and emergency medical services. The Deep Run Fire Department will be on hand to pass out information and answer questions as well as enroll students for this popular program.

Driver's Education

This will be the first opportunity to register for the upcoming class this spring. Once the class reaches capacity, the class will be closed. Parents will be able to ask questions about the class as well as the practical driving component.
