ORGANIZATION

The Daughety Memorial Scholarship Fund is to provide five deserving and most needy high school seniors (one per school) with financial assistance of \$1000.00 that they may pursue their academic goals once they have been accepted into a four year college or university of their choice.

HISTORY

The name of the fund has been changed from **The Leamon Scott & Floscinda Cobb Daughety Memorial Scholarship Fund** to **The Daughety Memorial Scholarship Fund**. The organization itself, however, has not changed. It maintains the same ideals that the founders used in the beginning. Otherwise, they still feel the need to help with the education of high school seniors who are eligible for college but do not have the necessary funds to attend.

SELECTION PROCESS

Eligible students will be selected for their high school academic achievements (C+ average or above), their SAT scores, their extra-curricular activities, and their involvement in community service.

Eligible students should receive their applications **no later than January 15th** of their year of eligibility.

Eligible students must submit a 500-word (**typed**) essay covering the following points:

1. Why do you want a college education?
2. What field of study do you plan to enter?
3. Why are you interested in this field of study?
4. Upon finishing college, how will you help other students succeed in their education?

Eligible students must mail in their student application forms, transcripts, essays, extra-curricular activities/community service forms, college acceptance letters, and a **copy** of their SAT scores, etc. **no later than April 1** of their senior year. Please send the packet to the following address:
