

# **NC State University**

## **SATELLITE Camp 2017**

- Are you interested in Science, Technology, Engineering, and/or Math???
- Are you thinking about college but aren't sure what to major in or even how to apply???

**If you answered "yes" to these questions or even if you didn't, you should apply to SATELLITE!!!**

### **What's SATELLITE? Glad you asked!**

- It is a **5 day** Science, Technology, Engineering, and Mathematics (STEM) camp!
- It is hosted by NC State faculty and students and you will be **staying on NC State's campus!**
- You will participate in cool labs (like making paper!) and lectures from NC State professors!
- Learn about the college application process and college life!
- Meet other students with similar interests from all across the state!

### **Requirements & How to apply:**

- Must be a current high school sophomore
- Submit 2 letters of recommendation
- Tell us why you want to come to SATELLITE
- **NOTE: Grades are NOT considered**
- Must be able to **MAXIMIZE** this experience
- **Cost: \$30 per student** (need-based scholarships are available)
- Camp takes place **May 13<sup>th</sup>-17<sup>th</sup>**

**Application Deadline: March 10<sup>th</sup>**

**Apply and find out more here: <https://clubs.ncsu.edu/satellite/>**
