

9TH GRADER

Make a list of your accomplishments!

Keep an updated list of your accomplishments throughout high school.

This will make applying to college much easier, as all of the information about your achievements will be already gathered in one spot.

Keep updating it every year so you don't forget about something you put a lot of work into!

Remember to include:

- Awards and recognitions
- Jobs
- Volunteering
- Leadership positions
- Sports teams
