

# #HOW2 COLLEGE NC

# 9TH GRADER FAMILY

## Help your student keep track of their accomplishments.

Help your student keep track of their achievements. This will help them fill out their college applications.

Students may need to write personal essays based on their achievements and experiences, so helping them keep track will assist in the college application process.

Save all of your student's report cards and certificates so they can reference these documents when applying to college.

Remind them to update their list every year so they don't forget about something they put a lot of work into!
