Summer Ventures

IN SCIENCE & MATHEMATICS

**It's not your average summer experience.
Good thing, because you're not average.**

**Applications
open online
October 15**

**Deadline for
applications
January 15**

**Admissions
notifications
mid-April**

Summer Ventures in Science and Mathematics seeks rising NC high school juniors and seniors who are academically talented and who aspire to careers in science, technology, engineering, and mathematics.

Spend four summer weeks on a UNC campus conducting research on STEM topics. Gain skills in experimental design, laboratory instrumentation, mathematical modeling, mathematical problem solving, and more. At the end of the session, present a comprehensive research project on a current STEM topic of interest.
