

Volunteer Opportunities

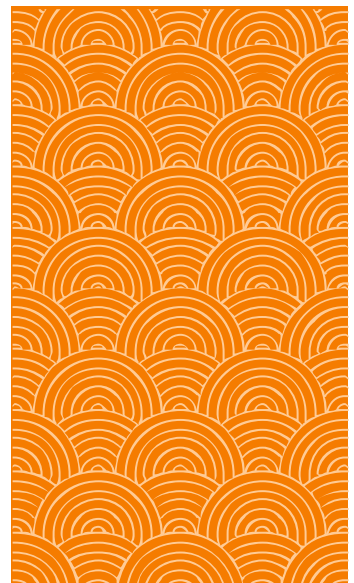

At *Spring Arbor* we are looking for hard-working, compassionate members of the community to join our volunteer program.

Members of our volunteer program provide a wide array of helpful and fun activities to enrich the lives of our residents.

To the right you will find a few of our volunteer opportunities you could become a part of.

If you would like to volunteer please contact **Andrew Mozingo** at (252) 523-3099 or by email at knad@hhhunt.com.
